

The Wikwemikong Unceded Indian Reserve (WUIR), Department of Lands and Natural Resources is seeking an Entry Level Geographic Information Systems (GIS) Intern with an anticipated start date of May 1, 2013.

Job Title: GIS Intern

Job Location: Sault Ste. Marie, Ontario, Canada

Job Description:

- Assist with such GIS tasks as supporting photo interpreters in our 3D ArcGIS/Stereo Analyst lab and through map making and feature capture from a variety of data sources.
- Remote Sensing skills through satellite image management, image processing and analyses such as classification and feature capture using PCI Geomatica and ArcGIS extensions.
- Provide IT assistance in the form of such measures as troubleshooting hardware & software problems, researching appropriate hardware & software for lab & office use, debugging network issues, building new workstations and installing required software.
- ArcGIS & Stereo Analyst technical support in the 3D mapping lab. Preparation of data for use in the lab.
- Image analysis tasks to produce output from ADS40/80 & WV2 satellite imagery and a variety of DEMs & DSMs using PCI Geomatica 2012
- Hardware, software & network management for our Windows 7 & Windows XP networked workstations.
- Assorted marketing related projects as they arise, such as creating posters or images for display.

Qualifications

- Degree and/or diploma in Geography, Natural Resources or IT
- Certificate or Diploma in Geographic Information Systems with Remote Sensing concentration
- Flexible work habits
- Excellent organizational skills
- Drivers License (G)
- Easily adaptable
- Ability to learn on the job and work in a fast paced work environment with minimal supervision
- Excellent communication skills in order to interact with clients in a professional manner

Eligible applicants must be Northern Ontario secondary school graduates 29 years of age or under who recently graduated from an accredited college or university. Graduates from a high school outside of Northern Ontario who have resided in the North for at least one year are also eligible. Mature graduates may be considered.

Application Deadline: April 1, 2013
