

## ***Resilient Communities Research Collaborative***

### **Maple Syrup Research**

We are a dynamic interdisciplinary research collaborative led by Dr. Brenda Murphy from Wilfrid Laurier University and we are growing! We are seeking an outstanding student interested in pursuing a fully funded, one-year Master's degree (MA or MES) in Geography from Wilfrid Laurier University (Waterloo) starting in September 2013.

Ideal candidate:

- Self-identify as Aboriginal
- French & English skills
- Knowledge of maple syrup a bonus!

**\*\*If you don't meet all of these criteria, we'd still like to hear from you\*\***

Research will focus on Aboriginal maple syrup production, specifically the identification of value-added opportunities and growth potential.
