

# Summer Student Opportunities

**\$10.30 - \$14.50/hour**

The Rideau Valley Conservation Authority is the lead intermunicipal agency working to address river-related environmental issues and concerns within the Rideau Valley watershed. It's our job to make sure that the water is looked after by everyone in today's society so that tomorrow's generations inherit a clean, healthy, functioning watershed.

We also provide residents with close-to-home natural areas and programs that are accessible and affordable. We currently own and maintain a network of nine Conservation Areas and an additional 4,500 acres of environmental land.

If you thrive on variety, are looking for interesting work and want to learn new skills, then a summer job at the Rideau Valley Conservation Authority may be the ideal opportunity for you!

We are hiring high school and post-secondary students to work in a variety of areas, including:

- ✓ grounds maintenance
- ✓ park attendants
- ✓ day camp counsellors
- ✓ water resource technicians
- ✓ administrative and technical support

Specific information on these opportunities is available on our website [www.rvca.ca](http://www.rvca.ca). Please note that public transportation between Manotick and Ottawa is limited to early morning and late afternoon service. Some positions require a valid drivers license.

If you have a strong commitment to the environment and the protection of land and water resources and your education and career goals lead naturally to working in a Conservation Authority environment, please send us your resume before March 15<sup>th</sup>.
